

To Whom it May Concern,

I am writing as a New Haven resident in support of SB 425: An Act Concerning Municipal Transparency, Efficiency, and Accountability. I have lived in several municipalities, including the very politically active Berkeley, CA, and I have never had a better connection to my elected officials, public servants and local community.

Discovering SeeClickFix upon relocating to New Haven was a transformative moment in adopting my new city. It allows me access to what is going on, how my government is functioning (or not - and then what to do), and my neighborhood. I love how it immediately directs my concern to the appropriate office and allows me to follow up.

I support SB 425 and any efforts to improve Transparency, Efficiency and Accountability. Having those in my community has made a world of difference.

Sincerely,  
John Nixon
